PT Gojek Indonesia is an Indonesian on-demand multi-service platform and digital payment technology group based in Jakarta. Gojek was first established in Indonesia in 2009 as a call center to connect consumers to courier delivery and two-wheeled ride-hailing services. Gojek launched its application in 2015 with only four services: GoRide, GoSend, GoShop, and GoFood. Valued at US\$10 billion today, Gojek has transformed into a super app, providing more than 20 services.
